There are only 24 hours in a day. We do our best to make the most of them, but find ourselves wanting more. While we can't change the earth's rotation, we can brew a bigger beer. We present Double Day Tripper, a dank, dry-hopped 90 IBU Double Pale Ale with intense tropical citrus and floral notes. This is our flagship Day Tripper's festier big brother. The day isn't over friends— get out there and double it!

THE GOODS

MALT: American Pale Malt, Golden Promise, Medium Crystal, Dextrin Malt, Toasted Wheat, and Munich Malt

HOPS: Azacca, Centennial, Cascade, Apollo and Eureka

YEAST: A15

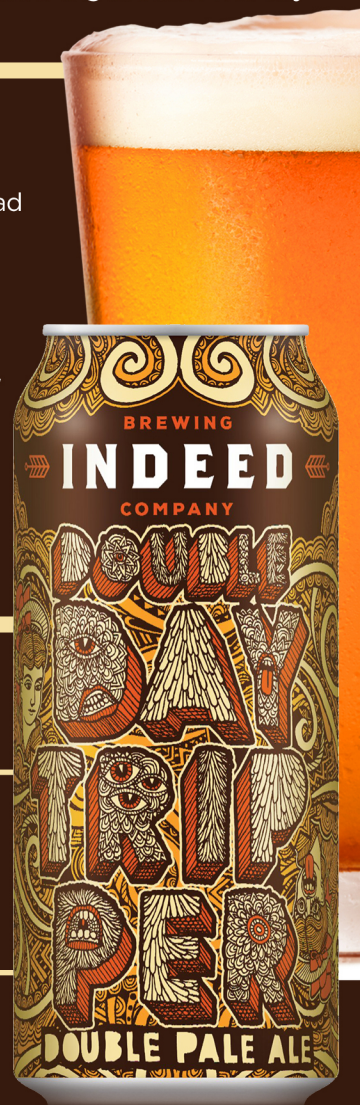

THE EXPERIENCE

VISUAL: Pours a deep, orange amber with a slight haze and a thick, sticky eggshell-white head

AROMA: Hop-forward, juicy and dank, with hints of resinous pine. Complex citrus notes of grapefruit, orange zest, lemon peel meet tropical fruit notes of papaya and mango. Ripe and fragrant.

TASTE: Big, bold fruity and herbal hops lead the way with a well-balanced presence of toasty malt following suit. Bright citrus and sappy pine, wet grass and lush tropical fruit flavors are complemented by a stable background flavor profile of caramel, cracker, and biscuit.

MOUTHFEEL: Full and lively, with intense bitterness, perceived citrusy, fruity sweetness, and a dry finish
