FOOD & BEVERAGE

We have experience working with some of the best catering companies in town and are happy to connect you to our preferred vendors. You are also welcome to bring in your own food for your event or use the caterer of your choice.

The Ox's bar serves the same beer that's available in the main taproom. In addition to our wide variety of beer and non-alcoholic beverages, you are also permitted to provide wine and liquor at your event as long as it is served by a licensed caterer.

UNIQUE ADD-ONS

Make your event unique with add-on experiences, like a brewery tour or special fassbier keg. The main taproom is also available for rental Mondays-Thursdays before 2pm. Please ask for additional information about our add-ons and we will do our best to accommodate your group to make your event special.
