## NE BEER

IN COLLABORATION WITH  
TATTERSALL DISTILLING

### SESSION BROWN ALE

Northeast neighbors Tattersall Distilling and Indeed Brewing Company combined powers to devise an extra-special straight malted whiskey. An homage to Northeast Minneapolis, NE Whiskey was brewed at Indeed before being distilled and aged at Tattersall for more than two years. Enjoy neat or with a cold NE Beer, inspired by the original wash and made to pair with this perfect sipping whiskey.
