Press pause on the ebbs and flows of the everyday with Lull, a highly refreshing, non-alcoholic CBD Seltzer from Indeed Brewing Company. Light citrus notes of lemon and key lime ascend from this effervescent water enhanced with CBD, a naturally occurring chemical compound found in the flower of cannabis plants. Infused with full-spectrum CBD, Lull contains both cannabinoids and terpenes; together, these compounds produce a synergistic effect for maximum efficacy. Neither psychoactive nor intoxicating, CBD promotes a cool, calm, and collected state of being. For when it's time to take a beat: welcome, Lull.
